DELIVERIES OF FITTINGS TO POLAND (German; 4 pp; 2 Jan 1952)

25X1

25X1

This 4-page [ ] report gives information on fittings to be exported to Poland. The table was prepared by Sanar (Federation of People Owned Enterprises for Fittings and Sanitary Equipment) for the Ministry of Foreign and Intra-German Trade. The fittings are destined for Varimex in Warsaw. The table headings read as follows: Plant making deliveries, contract number, total amount in rubels, amount (in rubels) delivered as of 31 December 1951, amount (in rubels) still to be delivered.

The last two pages are duplicates of the first two pages.
